1. Purpose

- 1.1. The purpose of this document is to provide an overview of University Academy 92's (UA92) approach to data and reporting.
- 1.2. UA92 uses data to support its analysis of the quality of its courses.
- 1.3. This policy links to the policy Quality Assurance and Enhancement: Monitoring and Evaluation.

2. Scope

- 2.1 The policy applies to all UA92 staff and all UA92 courses.
- 2.2 The oversight and management of UA92's quality assurance and enhancement policies and procedures is operated by the Academic Registry team at UA92 working in partnership with colleagues in the Academic team and Lancaster University (the Awarding Body for UA92 qualifications).
- 2.3 Data will be used for the following purposes:
 - i. Block monitoring and evaluation.
 - ii. Annual monitoring.
 - iii. KPI reporting to Leadership team/Board.

3. Policy statements

- 3.1 Key Performance Indicators

The UA92 Strategic Plan contains the following KPIs which relate to Academic matters:

KPI	Area	Measure
Continuation	Students	Level 4 to level 5 continuation– 90% Level 5 to level 6 continuation – 95% Level 6 to Graduation – 95% No gap in continuation rate between the “most represented” (least deprived) and the “least represented” (most deprived) groups in HE [NB: There is a significant gap in the sector].
Attainment	Students	81% successfully complete the qualification which they enrolled for. 76% of degree students who graduate achieve 1 st or 2:1. Any variance in attainment based on ethnicity or disability status to be less than the sector average annually.
Student Satisfaction	Students	Achieve overall satisfaction levels of 90% in every year

3.2 Module level data: at module level, UA92 collates, and analyses data as follows:

- i. Number of students.
- ii. Student Satisfaction: MEQ outcomes, both qualitative and quantitative.
- iii. Module results: % pass rate, % achieving good honours (60% or higher), highest mark, lowest mark, average mark.

3.3 Module level data is collected each block.

3.4 Course level data: at course level, UA92 collates, and analyses data as follows:

- i. Number of students and their characteristics (e.g. Disability, BAME)
- ii. Student Satisfaction:
 - a. MEQ outcomes, both qualitative and quantitative.
 - b. Annual Academic Experience Survey outcomes, both qualitative and quantitative (for Level 4 and Level 5 students).
- iii. Student attainment:
 - a. % of students eligible to progress to next level of study.
 - b. % of students who continued to next level of study.
 - c. % of students achieving award.
 - d. % of students tracking for good honours.
 - e. % of students achieving good honours (distinction/merit for Cert HE)
- iv. Academic Integrity: number of cases of academic malpractice.

3.5 Course level data is collected as follows:

- i. Each block as part of Students Attendance and Engagement tracking.
 - a. To identify whether students are on track/not on track for /progression to next level of study/completion of award.

- b. To identify whether students are tracking to achieve good honours (2:1 or higher). This is identified through their Average Percentage Mark (APM) across modules completed.
- ii. Annually for progression, continuation and attainment reporting following decisions of Board of Examiners (progression and awards).

3.6 National Student Survey (NSS): UA92 will engage in the NSS as required under its conditions of registration with the Office for Students. This relates to Level 6 students only.

3.7 Provision of data

- i. Student data will normally be provided from the LUSI student records system and checked against UA92's internal data collection.
- ii. The following report can be provided from the Lancaster University governance unit.
 - a. Student name, ID, course, level of study
 - b. Disability/no disability
 - c. Ethic origin
 - d. Date of entry (to identify enrolment block)
 - e. Attendance Status (this will identify the intercalating student)
 - f. Year in scheme of study
 - g. Original qualification/scheme title and current qualification/scheme title
 - h. Average 1st year module mark
 - i. Average 2nd year module mark
